

Flower Power at the summit for the 14th edition

The Jumping International of Megève returns from the 12th to the 20th of July 2025, for a 14th edition that promises to be very colourful. Set your sights on the sixties and their Flower Power for this unmissable event, which each year celebrates high-level sport in a resolutely summery and relaxed atmosphere.

From National to international sport, a wide range of entertainment, an auction, festive evenings, a competition that has free entry and is open to all: this is the recipe for this famous and successful Alpine event. Every year, riders, enthusiasts and the general public flock to the event so to not miss out on the fun.

On July the 12th and 13th, the **national competition** will welcome French club, amateur, and professional riders. It's a golden opportunity for young competitors to compete in the same prestigious setting as the biggest names in equestrianism, such as Simon Delestre, Laura Kraut, and Abdelkebir Ouadar.

After a transition day on Monday the 14th and an invitation to vaulting demonstrations on Tuesday the 15th, international competition will take over with the **CSI*** and CSI* from the 16th to the 20th of July**. Riders and horses from the four corners of the World will compete over courses of up to 1.50m high with one goal in mind: to win the Megève Grand Prix – CSI***, with its prize fund of 56,800 euros and counting towards the World rankings.

Highlights of this year's event include:

- The return of **Léona Mermillod Baron**, a loyal participant in the competition since her childhood and winner of the CSI3* Grand Prix in 2024. At 23, the talented rider from Annecy will be defending her title against the best.
- The second **Megève Summer Auction**, organised in partnership with Extra Horses on Friday the 18th of July, offering a selection of promising young show jumping horses..
- Festive and spectacular entertainment:
 - The **Prix du Champion** – a relay between a rider and a top athlete, on Wednesday, July the 16th
 - The **Prix Jump & Drive**, combining driving and show jumping, on Thursday, July the 17th
 - The **Six bars** class, with the challenge of beating the record of 2.12m, on Saturday the 19th
 - **Concerts** at the edge of the arena to extend the evenings with music, on Friday the 18th and Saturday the 19th.

From the 12th to the 20th of July 2025 put on your finest flower necklaces, dress in bright colours and good spirits, the Jumping International of Megève is waiting for you for an event filled with top sport and sun.
